Christmas Events

Christmas Tree at the Hall

Christmas at the Hall started by putting up the Christmas Tree outside the Hall ready for the turning on of the lights event. At the event it was great to see members of our community, children from East Worlington Primary School and their families. The children decorated the tree with their interpretations of Christmas

The children sang two Christmas songs enjoyed by all those at the event.

District Councillor Sue Croft was our guest of honour who turned on our lights.

East Worlington Primary School

Despite the fact the Hall is in the middle of conservation and improvement work it was great to see it being used by our primary school, especially for the Christmas Draw, following the Carol Concert, the Nativity Play, and the children's Christmas party.
