

AMS 2000 Ltd - Certificate of Cleanliness

Project Reference Number: Q

Regarding the removal of asbestos containing materials from:

Reference to Asbestos Register A2002394 Ground Floor Main Hall (Location)
East Worlington Parish hall East Worlington Crediton Ex17475 (Address)

on: 14/10/2015 (Date)

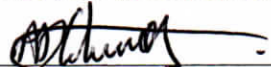

The removal work consisted of the following: (Brief job description, including type and extent of ACMs removed)

Cement packing to floor structure within floor void

I have checked that the asbestos containing materials described above were removed and the area was cleaned thoroughly. I inspected the following areas to make sure that there were no visible traces of ~~asbestos~~: Asbestos

Ground floor Main hall (Areas inspected) only

I am satisfied that the area can be returned to normal use.
