Dear Friend,

Thank you for submitting an application to the Weston Anniversary Fund.

We have had an extraordinary response with well over 2,000 applications so it will be a very tough field as a result of being significantly over-subscribed; however we are excited at the prospect of supporting some great projects across the country. We will let you know the outcome of your application in early October and will contact you if we require additional information or wish to arrange a visit – therefore we are grateful for your patience in the meantime while the applications are being carefully reviewed and considered by our Trustees.

Thank you for your interest in the Anniversary Fund and, whatever the eventual outcome, we wish you all the best for your work.
