

# East Worlington Parish Hall News|etter

**Render and Window Project Edition 06 – 17 August 2018**

## Repaired Window Installed

The second repaired window was installed during this week. Haydons of South Molton were the firm that undertook the repair. The rotten timber, which was mainly the bottom rail rising up the jambs and mullions, was removed. New timber was profiled to match exactly the timber that was removed. This new timber was joined to the existing frame by using scarf joints.
