Farrow and Ball 18  
Annie Slone, Chalk  
Builder's Caramel

Steve also mentioned that Miya had said that she favoured terracotta.

Those present then proceeded to select their preferences. Phillip had to leave the meeting, but said he was happy to go along with whatever the group decided. It soon became apparent that the favoured choice for the panelling around the walls was between Farrow and Ball 18 and Annie Slone, Chalk and the choice for the wood panelling at the back of the stage was between "builder's caramel" and "builder's beige". A vote was taken to decide between these colours.
