

TAX, CARE AND THE NEW GUY
INTEREST TALK
EAST WORLINGTON PARISH HALL
17TH NOVEMBER 2022 AT 7 PM

Estate Planning

may not be as fun to think about as booking a trip or checking out a restaurant review, but without it, could you imagine losing everything you worked so hard for?

Silvertime Legal is here to offer an informative group community talk. The talk we would like to deliver is called **Tax, Care and The New Guy**.

We work with local communities throughout the UK to **raise awareness** of some important **issues** that potentially affect families every single day.

Whilst the message behind the talk is **serious**, our speakers have a way of delivering this talk that never fails to create a relaxed atmosphere and a bit of laughter. Most importantly there is **no pressure**.

If your group were to receive a talk by our expert speakers, you can be assured of **thought-provoking** content.

Our speakers are fully qualified consultants with combined expertise in estate planning of over 60 years.

In this talk our expert speakers will briefly cover how **Inheritance Tax** works. They will also cover information about threshold, rules, and allowances.

Our speakers will explain the importance of having a great estate plan in place.

We as individuals are expected to pay for our **long-term care fees**. Our speakers will cover the different options available to us that may be beneficial for certain individuals when it comes to protecting their assets from the costs of growing old.

They will also cover **Lasting Powers of Attorney**, the different types that are available, and the importance of setting one up when you are on the edge of losing **mental capacity**.

Then there is the New Guy!

Re-marriage of a surviving spouse, after the first death in a couple can result in the new husband/wife inheriting everything, whilst the children **get nothing**.

The fact is that the inheritance you have worked so hard for, could be inherited by someone you **didn't intend** to leave it to.

A photograph of two hands, one younger and one older, holding a pen over a document. The younger hand is on the left, holding the pen, while the older hand is on the right, resting on the document. The background is a dark red color.
