

Living with Disability and Access to and Use of the Parish Hall

East Worlington Parish Hall supports access to and use of the Parish Hall for those living with disability by:

- Having an community inclusion statement within our Constitution
- Having an Equal Opportunity Statement of Policy
- Having a ramped access to the main Hall
- Having one main Hall which is on one level
- Having access to the kitchen from ground level
- Providing a disabled toilet
- Providing a hearing loop
- Having clear signage including clearly marked emergency exits
- Having good customer service practices and being sensitivity to the needs of users
- Continuously reviewing our communication strategies and improving when necessary within the available resources.
